Part time – Entry Level, Yard Laborer position
16 to 24hrs a week - 7 a.m.-3:30 p.m. Mon-Fri.

Work will be outdoors and in an industrial warehouse with various duties such as, general cleanup and maintenance, painting, production backup, and yard maintenance, among other duties. The work is fast paced and can, at times, be demanding. There is repetitive lifting and we work in both hot and cold weather. Work occasionally calls for overtime or weekend work during busy production times. Regular attendance is crucial. We look for applicants with at least one year of recent good work history and references that can be verified. All applicants must be at least age 18.

Basic Requirements

- All applicants must have a high school diploma or GED
- Maintain an active Driver's License and reliable transportation
- Clean pre-employment background check and drug screen
- Exhibit good performance, safety and attendance record
- Eligible to work in the United States without sponsorship
- Willingness and ability to wear all required personal protective equipment
- Ability to perform the essential functions of the position, which includes climbing stairs, navigating catwalks, stooping, bending and exertion of more than 100 pounds of force occasionally, and/or more than 50 pounds frequently, and/or more than 20 pounds continuously to move objects.
- Ability to accurately perform basic mental math skills
- Strong planning and organization skills
- Attention to detail and accuracy
- Willingness and ability to learn new jobs and skills and be flexible in daily duties
- Strong self-starter with the ability to work independently and with a team
- Communicating with team members and leadership

Educational Opportunities

- Safely operate and maintain propane or gas forklift to unload, move, store, stage and load products
- Interpret work instructions adequately and successfully
- Understand troubleshooting and how to explain the problem in everyday terms
- Ability to follow safety procedures and maintaining a clean workstation in each assigned area
- Support manufacturing by maximizing plant uptime and provide support in your stage of production
- Layouts, measurements spatial concepts, and tooling knowledge
- Developing knowledge of building materials products, warehouse facilities and lift trucks
- Understanding properties of metal and wood; including verbal terms and measurements

Why Choose Sell Lumber?

Sell Lumber is a second-generation family owned company, born and raised in Northern California. We specialize in custom lumber milling and heavy construction timbers. Not many mills do what we do. For over 65 years Sell Lumber continues to grow and expand, but what matters to you is that we are going to be around for a long time. We are not "just a job", we offer opportunities for a long-term career. Sell Lumber cares and understands life happens. We do our best to help you support your family with the long-term career path you are looking for. We offer a partial benefits packages after 1 year of employment. We do not practice regular seasonal layoffs. Lumber and milling is not a dead industry by far. With recent ecological and climate-related changes, the timber industry is an answer to clean up and fix some of the devastation. Be a part of our continued growth. Join our family with the only renewable construction material.
