Part time – Certified Lumber Grader
16 to 24hrs a week - 7 a.m.-3:30 p.m. Mon-Fri.

This Position visually inspects lumber quality and grades lumber of varying dimensions. Primarily working with Douglas Fir and Oak cuts. Our graders apply WWPA, WCLIB and other grading rules to maximize lumber profitability. The grading division is to ensure lumber produced is within grade parameters to maintain grade reliability is within expected grade yields and take appropriate action or trouble shooting to correct. Maximize yield by either determining if flaws in lumber need to be trimmed to maintain higher grade or to reduce the grade of lumber

Basic Requirements

- All applicants must have a high school diploma or GED
- Maintain an active Driver's License and reliable transportation
- Clean pre-employment background check and drug screen
- Exhibit good performance, safety and attendance record
- Eligible to work in the United States without sponsorship
- Willingness and ability to wear all required personal protective equipment
- Ability to perform the essential functions of the position, which includes climbing stairs, navigating catwalks, stooping, bending and exertion of more than 100 pounds of force occasionally, and/or more than 50 pounds frequently, and/or more than 20 pounds continuously to move objects.

Qualifications

- 2 or more WWPA, TPI, or similar grader certification required
- 5+ years in the lumber industry
- In depth understanding of American Lumber Standard grading rules
- Recent, good, verifiable work references

Why Choose Sell Lumber?

Sell Lumber is a second-generation family owned company, born and raised in Northern California. We specialize in custom lumber milling and heavy construction timbers. Not many mills do what we do. For over 65 years Sell Lumber continues to grow and expand, but what matters to you is that we are going to be around for a long time. We are not "just a job", we offer opportunities for a long-term career. Sell Lumber cares and understands life happens. We do our best to help you support your family with the long-term career path you are looking for. We offer a partial benefits packages after 1 year of employment. We do not practice regular seasonal layoffs. Lumber and milling is not a dead industry by far. With recent ecological and climate-related changes, the timber industry is an answer to clean up and fix some of the devastation. Be a part of our continued growth. Join our family with the only renewable construction material.
