Why Choose Sell Lumber?

Sell Lumber is a second-generation family owned company, born and raised in Northern California. We specialize in custom lumber milling and heavy construction timbers. Not many mills do what we do. For over 65 years Sell Lumber continues to grow and expand, but what matters to you is that we are going to be around for a long time. We are not "just a job", we offer opportunities for a long-term career. Sell Lumber cares and understands life happens. We do our best to help you support your family with the long-term career path you are looking for. We offer a partial benefits packages after 1 year of employment. We do not practice regular seasonal layoffs. Lumber and milling is not a dead industry by far. With recent ecological and climate-related changes, the timber industry is an answer to clean up and fix some of the devastation. Be a part of our continued growth. Join our family with the only renewable construction material.
